

Introduction to Programming II

Project Log

Project title:	MUSIC VISUALIZER
Topic:	Audio Extension
What progress have you made this topic?	
I have successfully Completed the extension.	
What problems have you faced and were you able to solve them?	
I was not able to stop the mic from recording after I saved the voicenote and I was also not able to use p5.DOM to customize my button. I have solved both of these problems.	
What are you planning to do over the next few weeks?	
I am planning on completing my final extension.	
Are you on target to successfully complete your project? If you aren't on target, how will you address the issue?	
Yes, I am on target.	

Introduction to Programming II

Project Log

Project title:	MUSIC VISUALIZER
Topic:	Frequency Rings Extension
What progress have you made this topic?	
I have finished this topic.	
What problems have you faced and were you able to solve them?	
At first I was not able to put 4 different frequencies on the screen but I eventually got around this by using push and pop with translate in a nested loop.	
What are you planning to do over the next few weeks?	
Since I have a lot of time remaining, I will implement another extension.	
Are you on target to successfully complete your project? If you aren't on target, how will you address the issue?	
Yes, I am on target.	

Introduction to Programming II

Project Log

Project title:	MUSIC VISUALIZER
Topic:	BoxSplash Extension
What progress have you made this topic?	
Most of the code is working, I have to set the boundaries correctly.	
What problems have you faced and were you able to solve them?	
I was having trouble with collision detection of the boxes but I have solved this problem.	
What are you planning to do over the next few weeks?	
I am planning to polish up my Visualizer and write my report.	
Are you on target to successfully complete your project? If you aren't on target, how will you address the issue?	
Yes, I am on target.
